

PILLI YOGIT RAM

Phone: 9347658379| Email: pilliyogitram@gmail.com

Python Developer

Summary

Motivated and detail-oriented Electrical Engineering graduate with a strong foundation in Machine Learning and Generative AI. Passionate about developing innovative AI applications, including LLMs, image generation, and prompt engineering. Eager to contribute to cutting-edge AI projects and grow as an AI Engineer in a collaborative environment.

Skills

Languages: Python, JavaScript, JAVA

AI/ML Frameworks: TensorFlow, PyTorch, Hugging Face Transformers

GenAI Tools: LangChain, OpenAI API, Stability AI, Hugging Face Spaces

Libraries: NumPy, Pandas, Matplotlib, Scikit-learn

Databases: MySQL, MongoDB

Other Tools: Git, Docker, Streamlit, FastAPI

Concepts: LLM fine-tuning, Prompt Engineering, RAG (Retrieval Augmented Generation), NLP, GANs, Vector Databases (FAISS)

Projects

AI Image Generator using Stable Diffusion

Tech Stack: Python, Diffusers (Hugging Face), FastAPI

Built a text-to-image generator where users input prompts and receive AI-generated visuals.

Integrated Stable Diffusion model with a web interface.

Implemented negative prompts and style presets for customized outputs.

Text Summarization and Sentiment Analysis Tool

Tech Stack: Hugging Face Transformers, NLTK, Flask

Built a summarizer using BART and a sentiment classifier using DistilBERT.

Enabled multi-document input and real-time summarization via Flask web app.

Banking Management System :

Using Python Tools & Skills: Python, Object-Oriented Programming, File Handling, Exception Handling. Developed a Banking Management System with features like customer registration, balance check, deposit, withdrawal, PIN change, and customer details modification. Implemented data validation and authentication to ensure secure transactions, including PIN verification and structured error handling. Utilized Python dictionaries for efficient storage and retrieval of customer information and transaction history.

Hobbies & Strengths:

Playing and analyzing cricket (captained college team to CLR championship win)

Fitness and outdoor sports activities

Excellent communication and coordination skills

Positive attitude and ability to motivate peer

Education

B.TECH (EE) 2023

NATIONAL INSTITUTE OF TECHNOLOGY RAIPUR

Tirumala Jr College Intermediate (CGPA-10.0)

Certifications

Industrial Training at BHARAT HEAVY ELECTRONICS LIMITED (BHEL):

- Witnessed the creation of generators from manufacturing, assembly, and testing.
- Visited various sections of manufacturing at the organization.

Personal Details

Languages: English, Telugu, Hindi

Notice Period: Immediate

Availability: Full-time
